WORK EXPERIENCE

Department of Homeland Security (Evoke Consulting)   Oct. 2022 – Mar. 2024
Communications Specialist (Frontend Web Developer and Graphic Designer)   Remote

- Developed a JavaScript application to assess project risks, successfully securing stakeholder approval and streamlining risk management processes.
- Created powerpoints for clients' stakeholders, receiving praise for my ability to relay information effectively.
- Designed publications such as the Annual Report and Year in Review, communicating news to DHS members.
- Designed SharePoint pages using HTML and CSS to organize the communications team's work, significantly increasing workflow efficiency.
- Created the logo and style guide designed for accessibility and enhanced brand recognizability.
- Developed and integrated an HTML, CSS, and JavaScript-based image rotator app into the DHS internal homepage, enhancing user engagement and **boosting monthly viewership by 35%**.
- Created a mobile friendly version of the monthly publication, **increasing readership by 25%**.

Concern Worldwide   Jun. 2022 – Aug. 2022
Graphic Designer   Manhattan / Remote

- Created a 2d animation for the Malawi project, raising awareness for drought in Malawi.
- Designed the By The Numbers document, which helped raise money at fundraising events.

Freelancer - Various Companies   Jan 2018 – May 2022
Frontend Web Developer and Graphic Designer   Queens / Remote

- Created websites for clients using React, bringing more customers to their businesses.
- Designed graphics for clients including ads, logos, articles, posters, and animations.

PROJECTS

Companion App   Link
- A React site used as an information resource for fans of a science fiction series.

2D Action Game   Link
- An exciting, in progress, beat 'em up game made using C# and my animation skills.

Memory Game   Link
- A memory game made using React, utilizing state while fetching data from an external API.

EDUCATION

Queens College   2014 - 2018
Bachelors in Graphic Design   Queens, NY
Robert H Goddard High School   2010 - 2014
